ACF OHSEPR and ACF Office of Regional Operations	Emergency Preparedness & Response	Event	Virtual TTA Event via Webcast for Regions III, IV and VI	The purpose of the 2009 ACF Tri-Regional Human Services in Disasters Virtual Leadership Forum was to strengthen leadership relationships and networks of key emergency management and human service agencies and non-profit organizations, improve understanding of roles and responsibilities of human service providers evident in the response to 2008 Hurricanes Ike and Gustav, and to discuss important issues facing human service providers preparing for emergency events.	9-Sep-09	Working funds	\$7,500	Federal Staff	0	N/A

ACF OHSEPR and ACF Office of Regional Operations	Emergency Preparedness & Response	Event	Virtual TTA Event via Webcast for National Audience	The purpose of the 2010 ACF Human Services in Disasters Virtual Leadership event was to continue and strengthen leadership relationships and to discuss important issues facing human service providers preparing for emergency events from a national perspective. The event provided information to ACF grantees and partners regarding the recommendations from the National Commission for Children in Disasters while showcasing efforts at the local neighborhood level to address unique community issues in emergency response and recovery. This virtual event was integral to promoting communications at the highest levels between governmental human services agencies, neighborhood organizations, and the emergency management communities for effective responses during crisis events.	27-Jul-10	Working funds	\$14,500	Federal Staff	0	N/A
