Cengage Group Statement on H.R. 6655, A Stronger Workforce for America Act

Cengage Group urges a **YES vote on H.R. 6655, A Stronger Workforce for America Act**. A major transformation is unfolding across our economy spurred by technological advancements, including generative Artificial Intelligence, which are changing both the workforce and the workplace. Millions of Americans will need upgraded skills to keep pace with industry needs and workers and jobseekers want to know the time they spend on learning a new skill will lead to a strong economic return. H.R. 6655, A Stronger Workforce for America Act re-envision a workforce development system that strengthens the employer role and improves access to high-quality education providers and programs.
